

Our School Motto:

Engage, Inspire, Achieve

Our School Values:

Honesty - We tell the truth even when it is difficult

Kindness - We welcome everyone who joins our school and help each other

Pride - We enjoy achieving together and on our own

Ambition - We try our best and rise to a challenge, never giving up!

We are very proud of our school and work hard to foster confidence and a love of learning in all our children. We believe that high quality learning is achieved by providing first hand experiences and opportunities to explore and solve problems through a rich, engaging curriculum.

Aldershot is a garrison town and many of our children come from service families; bringing a rich diversity to our school that we welcome and value. We understand and embrace the challenge of change and have established a culture that welcomes new children and supports their integration quickly and successfully.

Our school values are central to the spirit, ethos and culture of Talavera Infant School and help us to ensure that we achieve our vision statement for each individual child.

Our Vision Statement:

Talavera Infant School.....

- Nurtures individuals in a safe, secure and welcoming environment
- Values the learning opportunities that are experienced from a rich and diverse culture
- Has a creative curriculum built around first hand experiences which excite, include and motivate all learners

- Is fun and makes us laugh, smile and inspire a love of learning
- Engages with the community to support the best outcomes for all of our children
- Has high expectations of behaviour and learning to help everyone achieve
